Important Questions	Answers	Why this Matters:
<p>What is the overall deductible?</p>	<p>In-Network: \$4,000 individual/ \$8,000 family; Out-of-Network: \$0</p>	<p>Generally, you must pay all the costs from provider up to the deductible amount before this plan begins to pay. If you have other family member on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meet the overall family deductible.</p>
<p>Are there services covered before you meet your deductible ?</p>	<p>Yes, all In-Network preventive care services, as well as the following (non-hospital facilities only, when applicable): Primary care, Specialist, Retail health, Diagnostic testing, Prescription drugs, Outpatient surgery, Emergency medical transportation, Urgent care, Mental Health office visit, Home health, Rehabilitation services, Hospice.</p>	<p>This plan covers some items and services even if you haven't yet met the deductible amount. But, a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/.</p>
<p>Are there other deductibles for specific services?</p>	<p>Yes. Pediatric Dental: In-Network: \$25 individual; Out-of-Network: \$50 individual. There are no other specific deductibles.</p>	<p>You must pay all of the costs for these services up to the specific deductible amount before this plan begins to pay for these services.</p>
<p>What is the out-of-pocket limit for this plan?</p>	<p>Medical and Prescription Drug combined: In-Network: \$7,150 individual/ \$14,300 family.</p>	<p>The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.</p>
<p>What is not included in the out-of-pocket limit?</p>	<p>Premiums, balance-billed charges, and health care this plan does not cover.</p>	<p>Even though you pay these expenses, they don't count toward the out-of-pocket limit.</p>

Will you pay less if you use a network provider?	Yes. See www.carefirst.com or call 1-855-258-6518 for a list of provider network .	This plan uses a provider network . You will pay less if you use a provider in the plan's network . You will pay the most if you use an out-of-network provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do I need a referral to see a specialist?	Yes.	This plan will pay some or all of the costs to see a specialist for covered services but only if you have a referral before you see the specialist .
